## CRS Services

The CRS NGO Centre is located in the Al Mansur District of Baghdad, 5 minutes from the International Zone. CRS offers:

- Fully Furnished and Serviced Office Space and Accommodation, including high-speed wireless internet, food, laundry, gym, swimming pool, living/dining room, recreation area with pool table
- CRS also offers in-house legal assistance and admin support, as well as a conference and training suite
- All compound security provided by CRS with security of personnel in transit between locations provided on an as-required basis.

## Summary

- CRS is able to offer a secure, cost-effective and comfortable environment in which you and your staff can live and work.
- We are ideally situated in the Mansur District of Baghdad, just 5 minutes from the International Zone. Our location allows for meetings within the IZ to be attended with ease, yet also allows for International and Iraqi Staff to work together on a day-to-day basis without disruption caused by access/ID problems and restrictions.
- CRS has worked in Iraq without incident in a low-profile manner since 2003 from Mansur/Harthia Area of Baghdad. We have an operation which employs around 400 Iraqi Staff
